**Peoples Energy's Team H.E.A.T. to Help Low Income
Chicagoans Lower Their Gas Bills**

WHEN: Saturday, October 21, 2006
10:00 a.m.

WHAT: People's Energy's Team H.E.A.T. (Home Energy Assistance Together) volunteers will give a live demonstration on how to weatherize a Chicago resident's home as part of this city wide project. This is the third year that Team H.E.A.T. has hit the streets to help low- and fixed-income residents lower their heating costs.

Viewers will learn about energy conservation techniques, financial assistance resources and bill management options to help residents lower gas bills this winter.

WHERE: The home of Silvia Flores, XXXX S. Anystreet

WHO: Representatives from Peoples Energy, Housing and Opportunity Maintenance for the Elderly (H.O.M.E.) and FirstAlert
